## Jesus the Light

*John 8:12*

*Jesus is the Light of the world, and His coming is compared to the \_\_\_\_\_ of the day when the sun rises and brings light to the earth (Luke 1:78-79). This transition from the cold darkness of night to the warm brightness of the day is a fitting analogy for the blessings that Jesus brings to our world, because along with the light comes...*

### *Safety*

*Those who do dark deeds do them in darkness. That's why most bad stuff happens at night, and that's why it's so dangerous to "\_\_\_\_\_ in darkness." It makes you vulnerable to disaster and destruction. But it is Jesus the Light who dispels all of that danger with His glorious presence in our lives!*

### *Solace*

*The psalmist says that joy comes in the \_\_\_\_\_ (Psalm 30:5). There is just something about those first rays of sunlight easing through the window that helps you forget the fears and frustrations of even the darkest, most difficult night. The coming of Jesus into our lives brings us that kind of peace!*

### *Sight*

*It is impossible for our physical eyes to see without light. God formed our eyes so that they are dependent on external sources of light in order for us to have vision. Our spiritual eyes are the same; they require Light in order for us to see. There is no true \_\_\_\_\_, no real \_\_\_\_\_, and no genuine \_\_\_\_\_ without Jesus to illuminate our darkened minds (Ephesians 4:17-18). As long as the shroud of night remains, we languish in ignorance and vanity. But when the Son rises in our hearts, we can sing, "I was blind, but now I see!"*
